The pool guest policy works through the **HONOR SYSTEM** to ensure our pool continues to be the excellent facility our community enjoys.

- Guest passes are required on Friday, Saturday and Sunday and Holidays. All guests must have a valid pool pass for pool admission. Guests must be identified to the lifeguard on duty and then recorded on the guest pass list next to the sign in sheet.

- A guest pass is required for non-swimmers as well as swimmers.
- Guests must be accompanied at all times by the same pool member for the duration of their visit.
- Please be reminded that our Guest Policy works on the honor system. It is the pool member's duty to sign guests in on the guest pass list, rather than wait for the lifeguard to ask.
- Oakleigh Forest residents who are non-pool members **may not** use the pool as a guest of any pool member.
- Long-term houseguests of members are NOT considered members of the household for pool membership purposes. These guests must also use guest passes.
- Families and Individuals renting a house in Oakleigh Forest are warmly welcomed to join the pool as “resident members” as long as the property they are renting is in “good standing” with the Oakleigh Forest Civic Association. Renters may not utilize the pool as guests under any circumstances. Renters are not permitted to sponsor non-residents as pool members. However, if there is a request to sponsor a non-resident, this request can be brought to the Pool Board.
- The guest pass policy may not be used to provide regular access to the pool for guests. Such guests must be encouraged to become non-resident pool members by their pool member host/hostess.

Pool members are expected to abide by the rules and regulations for use of the pool. Infractions may lead to:

- “Time out” administered by any lifeguard on duty
- Expulsion from the pool for that day
- Suspension of membership privileges for a time to be determined by the pool committee
- Revocation of membership privileges, upon determination by the pool committee
